

1. If we hover over the image, it changes to another one. When we are hovering over it, the ATHLETIC logo appears, and when we move away, the ERREAL logo will appear.
2. We have the option to change the font size of the paragraphs.
3. FORM. We have three fields to fill out with the following conditions:

   ADINA: must be a number between 18 and 80.

   BALORAZIOA: must be a number with a maximum of two digits, and its value must

be from 0 to 10.

In these two fields, the keyboard will only accept keys from 0 to 9. The rest of the keys are intercepted.

4. CREATE BUTTONS.

   We have a text box where we write a message for our team. When we click the SPELL button, as many buttons as there are characters in the entered word will be created. Each button will display a single letter as text.

The BIZKAIA and GIPUZKOA buttons. If we click on the BIZKAIA button, the message **ATHLETIC TXAPELDUN** will appear, and if we click on GIPUZKOA, the message **ERREALA TXAPELDUN** will appear.
